## Essential Readings from the Melanie Klein Archives

Original Papers and Critical Reflections

Edited by **Jane Milton**, The Melanie Klein Trust, London, UK

From the Melanie Klein Archives: Essential Readings brings together a selection of previously unpublished material by Melanie Klein, one of the key architects of child psychoanalysis, and sets that in the context of the contemporary understanding of her work, with contributions by a range of leading Klein scholars.

Melanie Klein was a pioneering and sometimes controversial figure within psychoanalysis, whose new approach to child analysis and new understanding of our inner world were revolutionary. *From the Melanie Klein Archives* will be of great interest to Klein scholars, as well as to researchers and readers in the wider history and development of psychoanalysis.
